SECURITY

Each exhibitor must take responsibility for the security of all items in his/her display. Show Management, the facility and guard service will not accept any responsibility. - ◆ Exhibitor badges are required for all exhibitor personnel during set-up, Show and dismantling hours. All attendees are required to wear badges for admission to the Show.
- ◆ Exhibitors are allowed on the Show floor during the established set-up and dismantling hours. In addition, exhibitors will be allowed into the exhibit hall one hour prior to the Show opening each day, and must leave within one hour after the Show closes each day.

SUGGESTED SECURITY PRECAUTIONS

- Make sure all personnel are properly badged. Exhibitor badges will be recognized during set-up, Show days and dismantling.
- Goods should never be left unprotected in the booth. It takes only a moment for a thief to steal a handbag, an attaché case, or any other item.
- Portable items of all sorts should be kept in a sturdy, strong locked place. A temporarily constructed office in a booth is probably not secure.
- Prototypes, Plasma's, DVD's, pocket calculators, give-away items are things most often stolen. They should be guarded.

INSURANCE

Show Management, the facility, security contractor, the drayage contractor nor any of their officers, agents or employees will not assume responsibility for exhibitors' property. Exhibitors should include in or have a rider attached to their insurance policies covering the shipment of merchandise to the show, the show period and the return of their merchandise to their home base.
