

Waste (360)

Sustainability Talks

Sponsorship Opportunities

June 28, 2021

REAL TALK. BOLD ACTION.

Join us for real talk as the waste and recycling industry takes on plastics, packaging, and other environmental challenges – and our role in building a sustainable future.

ESG and sustainability are top of mind. Join this important initiative to bring the right stakeholders together to combat the tsunami of plastics, packaging, food waste and more. Be part of the conversation that will steer this industry forward in ways that will help the planet and our businesses. The time is now.

Sponsor Levels:

Founding Sponsor

Be a founding sponsor of this movement toward building a more sustainable planet. This exclusive opportunity allows you to be a leader in sustainability for the waste and recycling industry and beyond. You'll have a voice in the direction of the live event, the content throughout the year and bringing together the right stakeholders to make real change.

Contributing Sponsor

Add your thought leadership to this important conversation. You will be able to contribute content throughout the year and in person at the LIVE Sustainability Talks at WasteExpo. Attaching your organization to this effort will showcase your brand and sustainability story for all to see.

Supporting Sponsor

Support this thoughtful and timely initiative and get branding exposure for your company. Attach your organization to this effort and help the industry and beyond create a more sustainable planet.
