

# UMC Convention Testing Center

## Convenient On-Site COVID-19 Testing Services

As Nevada's leader in COVID-19 testing, with more than 1.1 million tests performed, UMC is uniquely suited to meet the on-site testing needs of event organizers and attendees at the Las Vegas Convention Center. Supported by Nevada's largest COVID-19 testing laboratory, the UMC Convention Testing Center provides convenient access to highly accurate polymerase chain reaction (PCR) testing. With simple, online appointment scheduling and fast access to results, UMC offers the robust resources needed to safeguard the health of visitors and community members. UMC also provides customized travel documentation to meet the requirements of destinations across the world, with support from a fully staffed Travel Testing team.

### **Services and Pricing**

UMC offers PCR tests and customized travel documentation at a price of \$130 per test. An additional service fee and test minimum will be tailored to meet the individual client's scope of services. UMC provides test results with an estimated turnaround time of 24 hours.

### **Scheduling and Results**

UMC offers a robust online scheduling platform and a fully staffed call center. This scheduling process is highly refined, taking approximately one to two minutes to book an appointment. UMC has the capabilities to develop customized scheduling portals for individual clients, using convenient vanity URLs and QR codes to easily direct attendees to the scheduling website.

UMC provides easily accessible COVID-19 test results via the MyChart app, the UMConnect online portal, and UMC's secure email system. To provide an additional level of convenience, UMC also offers printed copies of results upon request. UMC recognizes that travelers often have questions about the testing process. As a result, UMC provides your guests with access to a dedicated Travel Testing phone line, which is staffed seven days a week, from 8 a.m. to 6 p.m., to provide personalized assistance for international and domestic travelers.

### **Testing Agreements and More Information**

Please contact Peter Belmonte at [peter.belmonte@umcsn.com](mailto:peter.belmonte@umcsn.com) or 702-831-1410 for information about coordinating an agreement with UMC to provide COVID-19 testing services for your event at the Las Vegas Convention Center.
