Preview the latest vehicles, tune in to the latest technology and learn the latest curriculum to improve the environment. WasteExpo is your best bet to get the education and training you need to hone your skills, improve job performance and business with the most robust education program in the industry. From connecting with 14,000 of your peers to doing business with 600+ exhibitors, it's one event that pays dividends all year long.

Who Should Attend?

Municipal authorities and private sector professionals responsible for waste management and resource recovery.

What Will You See?

You will see more than 600 exhibiting companies displaying the latest solid waste, recycling, technologies and equipment to 14,500 industry participants from 104 countries.

WasteExpo exhibitors cover the entire waste, recycling and organics industry.

You will see everything from: trucks, trailers, loaders and cranes to balers, carts, compactors and shredders to recycling equipment and landfill liners and equipment. You will also see the most up-to-date advances in:

- Waste-to-Energy Technologies
- Methane Gas Collections
- CNG Vehicles
- Composters
- Waste Reduction
- Processing Technologies
- Sustainability
- Food waste & recovery

There will be leading engineering and consultants firms as well as technologies to help you run your business or department more efficiently.

International Reception
