

# Waste (360)<sup>TM</sup> Food Recovery Forum

## Sponsorship Opportunities

Events & Conferences: May 5-8, 2025 | Exhibits: May 6-8, 2025 | Las Vegas Convention Center

### Attract new business in 2025!

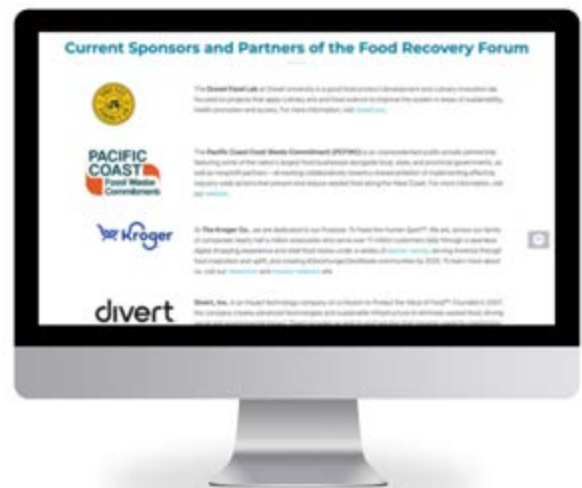

With new food waste mandates, regulatory and policy initiatives and increased consumer awareness, now is the time to capitalize on the growing food waste recovery sector.

**Expanded Reach:** Get in front of the waste generators, haulers and buyers who need solutions to their food waste issues. The Food Recovery Forum is promoted heavily beyond Waste360's waste, recycling and organics database—including leading food, supermarket and restaurant groups and associations.

There's no better way to take your WasteExpo experience to the next level. Get full exposure—pre-show, at-show, post-show and online with a Food Recovery Forum sponsorship!

### Sponsorship: \$5,000

- Sponsor branding in ALL Food Recovery Forum attendee marketing, to include logo linked to your website and booth number (if applicable).
- Sponsor Branding on the Food Recovery Forum section of WasteExpo.com
- Sponsor Branding on signage at the Food Recovery Forum
- Recognition as sponsor on mobile app

**Learn more about becoming a sponsor!** Contact me to learn more about these opportunities.
