

Waste (360)TM

Healthcare Waste Conference

New Event Platform

The [Exhibitor Center](#) is a central resource that features the Exhibitor List for WasteExpo and enables attendees to connect directly with exhibitors. The Healthcare Waste Tabletop Sponsors will be included and have a filter to a separate list. This means you can include more information about your company online. This is an example of what attendees will see.

The screenshot displays the Waste (360) Exhibitor Center interface. On the left, a sidebar contains a search bar and a 'Filters' section with dropdown menus for 'NWRA Members', 'WasteExpo Sponsors', 'Healthcare Waste Sponsors' (which is selected), 'Product Categories', 'Featured Exhibitors', and 'New Exhibitors'. Below the filters is a 'Click [icon] to bookmark your favorites' section with a brief explanation. The main area shows a list of 12 results, each with a company name and a count: BINS4 Shredding Inc. (15), BioSAFE Engineering (27), Bondtech Corporation NWRA Member (4), Bondtech Corporation NWRA Member (3), Clean Waste Systems (9), Daniels Health, Inc. (5), Envirotain, LLC (12), EZshred (13), and PharmWaste Technologies, Inc. (14). On the right, a detailed view of 'Firefly AB' is shown, including its logo, a 'Bookmark' button, an 'Information' section describing their fire and dust explosion prevention systems, 'Product Categories' (Safety Equipment), 'Social media' (LinkedIn icon), and 'Contact details' (Heliosgatan 3, Stockholm, Sweden).

In the [Exhibitor Center](#) you can:

- Add company description, logo and website
- Select company or product categories
- Modify or add public company contact information
- Add social media handles/accounts
- Add press releases
- Add or edit team members that can access the system
